

Mitch Malcolm

Vice President Global Sales
Irontite Products

Mitch has been with Irontite (formerly Kwik-Way) for 24 years. Starting in domestic and national sales, he was promoted as International Managing Director. Irontite sells to over 85 countries in the automotive service equipment market. As Vice President, I oversee domestic and international sales in the engine rebuilding aftermarket.

Mitch is a member of the Iowa DEC board and a graduate of the University of Iowa with a BA in Political Science/ Global studies. He is also on the city council of his home town of Belle Plaine, Iowa. Mitch is the President of the Belle Plaine Historical Society that manages the Belle Plaine Area Museum and The Henry B. Tippie Annex.

Mitch is currently single with a dog and passion for history!
